Speed Limits Lowered Around District's Schools

(OSSINING, N.Y.) – The Ossining Union Free School District would like to remind all drivers that the speed limits around the Ossining schools have been reduced since the end of the last school year to 15 miles per hour. This new, lower speed limit will be strictly enforced by law enforcement and aims to increase the safety of all our students. Drivers are reminded to slow down and pay attention to all pedestrians but especially our children, who return to school September 5.

The Ossining Union Free School District, nationally recognized for its mission to further the success of all children, serves approximately 4,200 pupils in six schools: Roosevelt School for newborn to four-year-olds, Park Early Childhood Center for kindergarten through first grade, Brookside School for grades two and three, Claremont School for grades four and five, Anne M. Dorner Middle School for grades six through eight, and Ossining High School for grades nine through 12.
